

CORPORATE SOCIAL RESPONSIBILITY LEVEL 1

Corporate Social Responsibility Awareness

Corporate or company reputation and brand integrity are becoming leading measures of business success.

CSR is growing in importance among many local enterprises. In addition to making profit and satisfying statutory obligations to their shareholders, companies should assume responsibility for their staff, community and environment.

The essence of CSR lies in treasuring the value of manpower in production, as well as focusing on the company's contributions to its consumers, environment and society.
